

Ending HIV in Canada

It's Time to Act.

There are over **63,000 people in Canada living with HIV** and it is estimated that six people in Canada become newly infected, each day.

Your generous donation will fund the highest caliber HIV research projects in the country dedicated to increased prevention efforts, increased opportunities for testing, improved health outcomes for people living with HIV in Canada, and reduced stigma.

Join CANFAR in its efforts to end HIV in Canada.
